

## THANK YOU, TEACHERS AND PARALEGALS!

October contains both World Teachers' Day and National Paralegal Day. As a tribute to the two very important professions, I decided to write this month's article about one of the most important teachers I ever had. She wasn't a professor or an attorney — she was a paralegal.

Often, new attorneys don't appreciate just how much difficult and time-consuming work their legal assistants and paralegals must perform. Imagine being responsible for ... [CONTINUE READING](#)
